To

.....Peter George D'Souza.....ESQ., B.A., B.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
.....Education and Agriculture *Departments.*

SIR,

I have the honour to inform you that in the Channapatna town, out of the Palace land, Survey No.528, measuring in all 7 acres and 31 guntas, an extent measuring 4 acres and 25 guntas was purchased from the Palace for the use of the local High School, as per Government Order No.9968-9/Edn.30-12-59 of the 18th June 1913, and the remaining portion of the same land had been purchased by the Church of England Zenana Mission for their hospital in 1908. At the time the land purchased for the High School was handed over to the possession of the Head Master, the limits of the two lands were not clearly defined and it was recently found that the Zenana Mission had unknowingly included within their limits about 21½ guntas of land which ought properly to have belonged to the High School and for which purchase-money was paid to the Palace at the rate of Rs.200 per acre. A building also has been standing on the excess land for about the past ten years. I visited the place on the 5th October last and in the presence of the Amildar and the Zenana Mission authorities got the land measured and it was found that 21½ guntas had been wrongly included and that the same could not now be resumed without inconvenience to the Mission Hospital for women. A fine building

is under construction and the excess portion may conveniently be given to the Hospital without prejudice to the High School playground. The Mission authorities agree to pay the proportionate price of the land, but considering that the Mission Hospital is a charitable institution meant for the benefit of all classes of people, I beg to recommend that the price amounting to Rs.107-8-0 may be remitted and the land given over formally for the benefit of the Zenana Mission Hospital. A sketch is enclosed for reference.

I have the honour to be,

Sir,

Your most obedient servant

M. Shamia Rao.

SIR,

In submitting herewith in original the marginally noted letters and its enclosures from the Deputy Commissioner Bangalore District proposing the transfer of a piece of land from the High School compound at Chennapatna to the Zenana Mission Hospital at the place I have the honor to state that out of S.No. 528 measuring 7 acres 31 guntas and assessed at Rs 7/- in the Mangalavarpet village Chennapatna Taluk belonging to the Palace an extent of 3 acres 6 guntas was purchased by the Zenana Mission Authorities for a hospital and the remaining extent of 4 acres 25 guntas by the Education Department for the High School compound. The Deputy Commissioner now reports that the Mission Authorities to whom the correct boundaries were not pointed out have while building their hospital made use in addition to the extent purchased by them of about 23 guntas of the land subsequently obtained by the Educational Department . On actual measurement the bit encroached upon by the Mission has been found to be 21½ guntas
